

FixMaadi Brand Identity Kit

FixMaadi enforces a **Single Master Logo Policy**. We use **one official brand mark** across all touchpoints (light mode, dark backgrounds, social media profile pictures, auto-rickshaw stickers, and printables) to build instant recognition and trust in Bagalkot.

Master Logo

Design Metaphor & Symbolism

- **The Roof Line** (🏠) — safety, home shelter, and peace of mind.
- **The Precision Wrench** (🔧) — craftsmanship, skilled labor, and local problem-solving.
- **Monogram 'F'** — clean, modern typography representing **FixMaadi** ("Maadi" = "Do it" in Kannada).
- **Color** — Sapphire Trust Blue on crisp clean background.

Logo Variants (all included in this repository, all downloadable)

File	Use

Logo Don'ts

- Don't recolor the mark outside the approved palette below.
- Don't stretch or skew — always scale proportionally.
- Don't place on a background with insufficient contrast (test against Sapphire Trust Blue and Canvas White first).
- Don't crop the roof line or wrench elements out of the mark.

Typography

- **Primary (Latin script):** system UI sans-serif stack (`-apple-system`, Segoe UI, Roboto, Arial, sans-serif) — matches the dashboard, no font licensing to manage, renders correctly on every device without a webfont download.
- **Kannada script:** the platform's default Kannada-capable system font (Noto Sans Kannada is the safe fallback if a custom install is ever needed).
- **Headline weight:** 700 (bold). **Body weight:** 400-600.

Voice & Tone

- **Warm, direct, respectful** — FixMaadi speaks to Bagalkot residents like a trusted neighbor, not a corporate call center.
- **Bilingual by default** — Kannada first for local trust, English available, never English-only for customer-facing copy.
- **Transparent about pricing** — always state the 0% commission model and any charges (like the ₹49 visit fee) plainly, never hide fees in fine print.
- **Short sentences in WhatsApp messages** — customers are reading on a phone, mid-task. Get to the point.

Applications

1. **WhatsApp & social profile picture** — `fixmaadi_official_logo.jpg` or `fixmaadi_social_dp_...jpg` , centered in the platform's standard circular avatar frame.
2. **Web / Admin Dashboard header** — integrated into the dashboard's top navigation.
3. **Auto-rickshaw vinyl stickers & kirana posters** — 24" x 8" vinyl banner, Sapphire Blue logo + Kannada text, using `fixmaadi_minimal_poster_...jpg` as the print-ready base.
