

FixMaadi Full Operational Launch Tasks

- [x] **Bhuvan's Field Dispatch Admin Panel & Vendor Assignment System**
 - [x] Upgrade `server.js` with live booking management, vendor assignment APIs, and status tracking (Pending, Assigned, Completed).
 - [x] Add vendor database (Plumbers, Electricians, Beauticians, Purohits, etc.) to the dashboard.
- [x] **Director's 70+ Virtual Company HQ Dashboard**
 - [x] Add interactive Virtual Team Management tab to `http://localhost:3000` detailing all 7 departments, leads, and live tasks.
- [x] **Instagram Brand Launch & Content Calendar**
 - [x] Create `instagram_content_calendar.md` with 10 launch posts, Kannada captions, visual guidelines, and hashtags.
 - [x] Generate visual post assets for FixMaadi Bagalkot.
- [x] **WhatsApp Group Penetration Strategy**
 - [x] Create `whatsapp_community_playbook.md` with targeted templates for Family Groups, Kitty Party Groups, RWA Groups, and Festival Committees.
- [x] **Verification & Handoff**
 - [x] Test admin panel endpoints and live dashboard updates.
 - [x] Update `walkthrough.md`.
